## Board annexes Koziol property

After a public hearing on the annexation of the industrially zoned property owned by Walter, Ted and Harry Koziol, the bi-monthly meeting of the Antioch Village Board convened on Monday, July 7.

All board members were present except for William Seeman.

The first order of business was the opening of the bids on the street resurfacing, sidewalk maintenance and catch basin cleaning.

After an adjournment into closed session, the board awarded the bids.

The street resurfacing contract will go to low bidder, Peter Baker and Sons, Lake Bluff with a bid of \$26,369.20.

The sidewalk maintenance contract will go to low bidder, Venice Concrete Inc., Antioch, for \$13,882.

Low bidder, National Power Rodding out of Chicago will do the catch basin cleaning for \$4,764.

The board also unanimously approved the annexation of the Koziol Property off of Anita Drive.

This property reportedly is large enough for eight or nine industrial sites.

Clerk Marilyn Sterbenz asked for and received a motion of approval on the application of the entire replacement tax

towards the abatement of the 1978 general bond issue.

In another transaction the board approved the payment of \$40,000 to Alliance Contractors for work done on Orchard St., pending the approval of village engineer, Frank Angelotti.

Approval was also given to future payment of \$60,000 when further work is completed and approved.

The board also okayed the use of the pool on July 11, for village employee picnic, July 19, for the Oakwood Knolls Property Owners Luau, July 26, for the Antioch Rescue Squad picnic and August 24, for Oakwood Knolls.

Mayor Michael Haley made a motion to authorized the clerk to issue verbal authorization to Clark Outdoor for mosquito spraying when needed, after contacting at least four board members by phone.

The meeting ended on a pleasant note, with Mayor Haley reading letters of commendation from the Rotary Club, thanking the village for their help on Rotary Hospitality Day, and two letters commending the Antioch Police Dept. for expediting incidents at Rittenhouse Embree and helping the Kenosha County District attorney's office obtain a conviction in a kidnapping case.

## Chamber Art Fair set for Sunday

On Sunday, July 13, Antioch's annual Arts, Crafts and Antiques Fair sponsored by the Antioch Chamber of Commerce, will start at 8 a.m. with a pancake breakfast.

Although space for 175 arts, crafts and antique exhibitors has been planned on the sidewalks of the village's main shopping thoroughfare, a large variety of refreshment and entertainment events have also been scheduled.

The refreshments will be served and the entertainment held, primarily in the village parking lot, between Lake and Orchard streets.

After the pancake breakfast, hot dogs, brats, beer and soft drinks as well as fresh popcorn from a popcorn wagon will be sold

on Toft Ave.

Bernie Gunty will start the entertainment off with some polka music at 1:30 p.m., followed by Dave Kelly's Magic Show.

Then it's time for a little square dancing and a lot of kids games.

The climax of the day will be the water fights, slated for early evening, starting about 5 p.m.

Some lucky raffle winners will take home a microwave oven, a food processor and a 30 coffee maker.

Prizes will also be given to the arts exhibitors with the best of show taking a prize of \$250.

First prize will receive \$75, second, \$50 and third prize winner will take home \$25.

## Antioch Grade School sells portable buildings

The board meeting of Antioch Community Consolidated School District 34 was held on Tuesday, July 1.

After hearing Dave Booth's reports on the student trips taken to Michigan and Washington D.C., the first bit of business transacted was on the sale of the two portable buildings.

Since the original high bidder was unable to secure the proper permits for relocations, the board approved the sale of the buildings to Mike Warren.

Superintendent Donald Skidmore reported on the results of the 1979-80 SRA tests.

The announcement of new teacher contracts issued to Janet Jackman, replacing Carol Classey; Doreen Antonik, to teach

math, social studies and possibly coaching; and David Cratty, to teach social studies and assist with staffing the coaching positions, was made.

Resignations were received from Ken Anderson, social studies and physical education, who resigned to take a position at Antioch High School, and Don Volle, jr. high math teacher, who is moving to California.

Because of bad experiences in loaning school equipment in the past, the board approved the use of a form for loaning equipment which covers the issue of liability and restitution.

The July 15 meeting has been rescheduled for July 29, at 8 p.m., at the upper grade school.

## Dawn Flaschner is Miss Antioch

A tanned, brown haired, 16 year old Antioch High School senior is 1980's Miss Antioch.

Pretty Dawn Flaschner was the choice of the judges after the three part competition that include swimsuit, streetwear and evening gown appearances made by the eight attractive and anxious contestants.

Pam Parker was chosen as the first runner-up, in case Miss Antioch should be unable to hold her title.

A GOOD and responsive crowd attended the coronation ceremony that was the climax to the July 4 picnic celebration at Williams Park, during the twilight hours of the holiday.

Chuck Cermak was an able and witty master of ceremonies, dressed for the occasion in white tie and tails, assisted by Park and Recreations Director Glenda Tomaschik.

It was a fittingly festive and floral occasion, with the stage decorated with red, white and blue flowers.

EACH CONTESTANT was presented with a basket full of posies and the winner received the traditional bouquet of roses.

While the votes were being counted, entertainment was supplied by the talented

Ann Vaughn, her guitar and lovely voice.

THEN, WHEN the big moment arrived, Mayor Michael Haley did the honors and crowned Antioch's new queen, the girl who would represent her village at the Miss Lake County Contest.

THIS SUMMER, Dawn is working for the Antioch Parks Program as a day care counselor, while also working in public relations at Hawthorn Center.

Next fall she will be a senior at ACHS, hoping to receive an academic scholarship to further her education in the field of teaching the mentally retarded.

Too bad fellas, Dawn has a steady boyfriend, although she presently intends to complete college before giving marriage any serious thought.

THE SLIM brown haired beauty also plays the flute and loves tennis.

How does it feel to be Miss Antioch?

"Just super," says Antioch's new queen.

The judges were Sue Haley, Shirley Gutowski, Dorothy-Larson, Walter Shepard, Cliff Houghton and Chuck Miller.

The tuxedo garbed escorts were Dave Volling and Doug Kozenski.

Miss Antioch received many prizes donated by participating Antioch merchants.

## Views On Dental Health By

ROBERT J. PAULETTI, D.D.S.

## WHY DENTAL INSURANCE?

Consider these statistics: Of children over fifteen, 75% have some form of gum disease and an average of 11 cavities. By middle age, 2 out of 3 people will have serious gum problems and be well on the way to losing all of their teeth.

Why should such a technologically advanced country as ours be in such a poor state of dental health? The answer is: neglect and bad diet! Few Americans see a dentist as often as they should and many have NEVER seen one. There are many reasons for this and one of them is money. Now something is being done about it.

While most Americans have some kind of medical insurance, dental insurance has

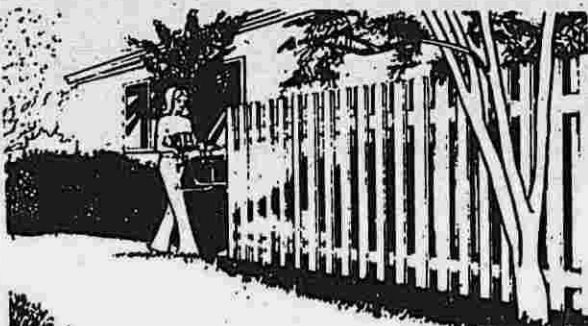

lagged far behind, but now dental coverage is growing by leaps and bounds. Today, some 65 million (3 out of every 10 Americans) are covered by some form of dental insurance and estimates are that coverage could increase to 95 million by 1985. Labor unions have been striving for wider dental protection and are responsible for much of this increase. In these times of inflation, the average American can use all the help he can get. Can't we all!

## Letter to the editor

### Greatful For Support

Editor:

Rotary International held its International Convention on June 1 through 5. Rotarians and their wives came from all over the world to Chicago to participate in the convention, 23,000 strong!

One day of the convention was set aside for Hospitality Day. This meant that Rotary Clubs were sponsoring the 13,000 Rotarians who wanted to visit with local Rotarians and see our way of life. The Antioch Rotary Club had 94 visiting Rotarians who came, up from the convention center, to see our village and township.

The Antioch Rotarians who hosted these visiting Rotarians, were unable to do this alone. It was through the effort of the industry and retail businesses of the Chamber of Commerce that helped make this one of the most memorable days of the visiting Rotarians. With the effort and support of the businesses, the Antioch Rotary Club and the Village of Antioch will be remem-

bered as the greatest place in the world to visit.

The letters of thank-you, which we are receiving, from all over the world, from the Rotarians is overwhelming. I would like to take this opportunity to thank you for being part of Hospitality Day, for without your help we could not have done the job we did. This is what Rotary is all about.

## The Time Machine

50 YEARS AGO: JULY 10, 1930

Rumors to the effect that plans were being matured for the erection of a new hotel on the site of the Morley real estate office were confirmed today by Clarence D. Foth, attorney.

When the Putt-Putt miniature golf course was opened tonight on the Rosing and Wedge lot just south of the postoffice block, Mayor George B. Bartlett, will be accorded the honor of shooting the first ball, according to announcement made today by Mrs. Ester Gibson who has had the course just completed.

An unusually pretty wedding ceremony was witnessed when Miss Madeline Nauta of Waukegan became the bride of Lester C. Hamlin. The bride was lovely in pale pink chiffon with picture hat to match. She carried a bouquet of cream roses and baby's breath.

30 YEARS AGO: JULY 13, 1950

Arthur Lippert was transferred from the county jail to the State Hospital for the Criminal Insane. Mr. Lippert stabbed his wife to death when on a three day leave from Elgin Insane Asylum.

The crowd was there but not as many of the boats as there should have been at the inboard regatta at Fox Lake Sunday.

The Sunnyhill farm of Antioch and the farm of Henry Wegner and Son, Ingleside, were among the blue ribbon winners at the Black and White show (Holstein dairy cattle) in connection with the city farm picnic at Gages Lake.

The new 1950 streamlined edition of Gem City shows list many new, unique and different features and attractions this season. Shows opened in Antioch for an engagement of 6 days.

10 YEARS AGO: JULY 9, 1970

The Antioch American Legion carnival on Rte. 173 drew huge crowds during its stay last week. There was something for everyone from the youngest to the oldest as Antioch residents participated in games of chance and the young fry especially enjoyed the rides.

The Antioch Community High School Student Council, in co-operation with the State Bank of Antioch, has opened a contest to choose the theme of the 1970 High School Homecoming. Student members of the Student Council who are serving as homecoming chairmen are, Chip Gross, Ronna Andrews, Eve January, Elda Minger and GeorgeAnn Bury.

The Navy husband of a former Antioch woman was awarded the joint Service Commendation Medal. He is Yeoman First class John Black, husband of the former Susan L. Strang.

## Well wishers to urge Miss Lake Region on

Friends and well-wishers of Sally Ann Mueller, Miss Lakes Region, may address their greetings and messages of Good Luck to: Sally Ann Mueller, Miss Lakes Region, c/o Miss Illinois Pageant, Aurora College Watkins Hall, Aurora, IL 60506, during pageant week July 16-19.

Before the rigors of competing for the title of Miss Illinois and the opportunity to advance to the Atlantic City National Miss America Pageant, Miss Mueller will present her state competition performance of the Ritual Fire Dance piano solo for patrons of the upcoming Antioch Arts and Crafts Fair this weekend at 1 p.m.

The schedule in Aurora for Miss Mueller begins with Swimsuit competition on Wednesday, July 16th, Evening Gown on Thursday, July 17th and presentation of talent on Friday, July 18th. She will, however, depart from her home in Grayslake on Monday, July 14th for early orientation.

The Miss Illinois Pageant week will be highlighted on Saturday, July 19th, with fully-televized coverage of the final competition between the ten finalists on WGN-TV starting at 8 p.m.

Local Miss Lakes Region Pageant committee members will accompany Miss Mueller for the week-long event that sends a new Miss

Illinois to Atlantic City in September.

## Along the way with ANNIE MAE

I hope everybody's recovered from the July 4 weekend. The picnic at Williams Park was just lovely although the weather was so warm that most of those in attendance spent the day doing nothing more rigorous than sitting under a shade tree or swimming.

I hear that Cliff Houghton was taken to the cleaners at Spring Valley last week when his son, Pat, trounced him by golfing a beautiful 66.

Former Antioch resident Dorothy Kennedy, who now lives in San Diego, California, is visiting Marge Gaa and Marilyn Sterbenz. Dorothy is also attending her class reunion at Willmot High School.

Straight A student, Lynette Anne Hamlin was on the spring semester Dean's List at Southern Illinois University, in Carbondale.

Another Antioch smartee is Christine Lindberg, daughter of Mr. and Mrs. Carl Lindberg, who made the High Dean's List at Millikin University in Decatur.

Which local veterinarian now deals in the treatment of exotic animals such as pandas?

I understand that Antioch's finest made an emergency run to Dr. Mike's office, on Main St., last Thursday.

All the Rotarians hope that the patient is doing well!

If the wedding of Ann Cermack and Ken Korus, performed at the Old Mill on Saturday, complete with garden hats and horse and buggy, isn't the most picturesque so far this year, it's certainly a contender.

Well bless my lucky stars, or should I say Mary Queen's stars. Congratulations on winning \$10,000 in the Illinois Lottery's Lucky Stars game.

Overheard Irv Carey giving my boss, Publisher Bill Schroeder, the business about omitting the Time Machine column from The News several weeks ago. The omission was momentary, due to a vacation. Time Machine is back on schedule and continues to be a mighty popular feature of The News. Irv said Time Machine is "never miss" reading for him. It's popular with a lot of other folks, too, Irv. By the way, Irv mentioned that he'll be back at the Lake County Fair next month to take care of electrical needs.

## Moose slate picnic

Antioch Moose Lodge 525 will hold their annual picnic starting at 11 a.m., Sunday, July 13, at Williams Park.

Games, prizes, free soda, beer and all-day swimming promise fun to all Moose members, their families and guests.

Members must show their green card to be allowed in.

The ABC Clown Club will entertain and greet children. The Moose baseball team will be paired up against

Woodstock's team that day also.

## Bucar elected to AOA office

On July 1, the American Optometric Assn. elected Dr. Albert A. Bucar of Antioch, its secretary-treasurer.

In the one-year-term office, Dr. Bucar will serve on the 20,000-member organization's board of trustees, be responsible for the association's financial records and keep meeting

minutes.

Dr. Bucar has been on the association's board of trustees since 1978. He has undertaken many organizational responsibilities. Most recently, he represented the association on the federal National High Blood Pressure Education Program Coordinating Committee.

### Hahns rolls to 13-1

Hahn's Jewelers picked up three more wins in Antioch senior League action to continue to pace the league.

Hahn's opened the week's action by defeating Limmerick 8-6. Tony Evans was the winning pitcher and Jerry Haling the loser.

Limmerick was held to only two runs until the seventh inning when they exploded for four runs, aided by a double by Jerry Haling and a single by Mike Grales.

Dale Keller, Dan Berkier, Brad Herbst, Haling and Tom Adams also singled for Limmerick.

Andy Lehn and Stan Dyer doubled for Hahn's and John Humphreys, Mark Evans and Jeff Johnson singled for Hahn's.

Hahn's then defeated State Bank, 7-1 behind the pitching of Jeff Johnson. Johnson scattered eight hits. Stan Dyer's double was the only extra base hit and John Humphreys had three singles for Hahn's.

Vince Garewicz, Mark Kasik and Bob Waldon each had a pair of singles for State Bank.

Hahn's then ran their overall record to 13-1 with a 7-3 win over Advertiser. John Humphreys pitched six innings to gain the win for Hahn's and Tony Evans picked up the save. Tony Besson was the losing pitcher.

Going into the sixth inning, Advertiser trailed 3-2, but Hahn's pushed across four in the bottom of the sixth and the Advertiser was able to answer with only one run in the top of the seventh.

Derrick Richter and Mark Evans both drew walks for Hahn's in the sixth and advanced on a double steal. Jeff Johnson drove them home with a long single to right. Bessons scattered only six hits on the mound for the Advertiser.

John Humphreys had the only extra base hit of the game.

### Astros, Tigers in tie, fight for first place

The completion of the Little League season in Antioch found the Astros and Tigers deadlocked for first place in the American Division, forcing a playoff.

The two teams met on July 2 and the Astros jumped off to an early lead and then held on to win as the Tigers shut them out after the second inning.

The Astros scored two in the first and sixth in the second and pitcher Rick Reitmayer pitched a two hit, striking out 12 for the win. Dan Adams was the losing pitcher for the Tigers.

Wade Kilman and Mike Bobosh got the Tigers' two

hits, both singles. Jeremy Johnson hit a bases loaded triple for the big blow for the Astros. Ken Mazzuca, Ed Walden and Joe Bablo singled for the Astros.

Manager Don Rodgers and coach Ken Mazzuca cited Larry Rodgers, Mike Fields, Bob Johnson, Mitch Davis, Craig Doetsch, Dave Bataglia, Bob Carney, Rich Kordenek and Mark Carpenter for their steady play as the Astros won their last five games of the season.

The Astros will now meet the Orioles, winners of the National Division in the league championship series, July 7, 9 and 11.

Orchard Dental swept to two more victories last week in girls softball action in Antioch.

On June 24 they defeated Flo's 21-12 behind the pitching of Linda Sexton. Jeri Gutowski hit a grand slam homer for the winners and

Lori Pefks had a double. Singles were added by Cindy Cavanaugh, Geri Gutowski, Janet Bronder, Linda Sexton, Marcy Perott and Becky Butenschoen.

Orchard scored 11 runs in the sixth inning to overcome a 12-10 deficit for the victory. Orchard Dental then defeated Heath Construction 17-9 on June 29 behind the pitching of Jeri Gutowski.

Linda Sexton hit a grand slam homerun. Gutowski and Cindy Cavanaugh hit doubles and Sexton, Cavanaugh, Cindy Morris,

Janet Bronder and Becky Butenschoen hit singles for Orchard Dental.

Once again it was the big late inning surge by Orchard which won it. The game went into extra innings tied 5-5, but Orchard pushed across 12 runs in the top of the seventh. Heath could only answer with four in the bottom of the inning.

In other action, Thelen defeated Pickard 16-9. Michele Buerman hit a homerun, Joy Whitehead tripled and Dee Haygood and Joy Whitehead had doubles.

## When I think about it

# I'm too busy to be organized

by GLORIA DAVIS

I wonder how many of you out there were born with, or have acquired, that talent that I admire so much, the knack of having everything in its proper place and knowing where that place is?

You've heard the saying, "I'm too busy to be organized." Well I don't know if it's busyness or my nutty scorpio personality that seems to thrive on chaos, that drives me to what seems to be deliberate unorganization.

NOW I TRY. At least the thought of how to be systematic enters my mind now and then.

I buy large, compartmented purses, you know the kind, the ones with a zillion zippers and pockets. They have a place for your keys, a purse for your makeup, a pocket for your cigarets and a section for your glasses, etc.

I start out the day using all of these for their specified purpose, but somehow, by the evening, I stand on my doorstep in subzero temperatures and search for my house key, which of course is under my makeup; my cigarets, my glasses, etc. All of which are lying in a jum-

ble at the bottom of my purse.

I ALSO wouldn't be without the flowery femininely covered little notebook my husband gave me as a gift.

It's just adorable and very practical since it's all indexed. There's a section for appointments, one for family business, another for accomplishing goals and so on.

My only problem is, having gotten this gift three years ago, I still have to make the first entry.

I wonder, what is this sickness that makes me prefer writing my appointments on the backs of bill-laden envelopes and jotting down grocery lists on the inside of a matchbook cover?

You all have a friend like I have; you know the "little old homemaker me," kind.

The ones that have a neat rosemalled recipe box on their kitchen counter with all their favorites alphabetically filed inside, some even with pictures of the finished product.

I THINK my way is much more fun, needless to say, a lot more challenging. Several years ago I started to tear particularly yummy recipes out of magazines and put them in a folder.

Now all I have to do, when I'm looking for a recipe, is open the broom closet door and go through this eight-foot thick folder I keep inside.

Now about address books: I lost mine years ago and just haven't ever gotten around to reaccumulating that important data.

It's not too bad. Every time I'm in search of an address I just call telephone information and try and trick

the operator into revealing an address by saying, "That's not the Smith on Made up St., because that's his father." Then she says "No this is the one at—" and I get the address I want.

At Christmastime, only those who send me card bearing a return address receive a belated greeting from me.

My kids gave me one of those new phone at-

tachments that has a memory bank for 32 numbers. You simply have to file the numbers and press one button to be connected.

One of these days I must sit down and file those numbers.

THEN THERE are all those other little bits of organization that enter into everyday life like grocery lists.

I'll have you know I do

make one out now and then, but usually forget it at home, a particularly aggravating feat when you are buying ingredients for a new recipe.

There's also neatly kept cupboards and closets. I really don't care to discuss it. Fibber McGee was always one of my idols.

I guess organization is another one of those things "I'll think about tomorrow."

**INSURANCE INFORMATION**

If I am involved in an accident which was not my fault, will my insurance rates automatically go up?

No. This is an area of insurance rate regulations which is often misunderstood. Under the Automobile Safe Driver Plan, if it is established by law or by your collection of damages that the accident was not your fault, then your rates will not be increased. In accidents where there is no clear cut definition of fault, both parties would probably have some increase in rates. There are accidents which would not increase your rates even if your insurance company pays the claim. Examples are: accidents involving your car when it is legally parked, your car being struck from the rear, an accident involving a hit and run driver and mishaps caused by falling objects or flying gravel.

## July 16 is swim benefit

Wednesday, July 16, from 1 to 8 p.m. the Antioch swimmers will take to the pool to raise money to support the Antioch Swim Team.

Swim-A-Lap is the team's only fund-raiser. Proceeds from Swim-A-Lap go to the parents club to help cover costs of the transportation to meets and each year additional equipment is added to benefit the team.

THE SWIMMERS request sponsors to pledge a set

amount of money per lap and after swimming a committee member will certify the number of laps. After the money is collected and totaled the team and individual swimmers reap the benefits.

To encourage all members to participate in Swim-A-Lap, incentive gifts are offered depending on the money raised for the team. Swimmers can earn gifts ranging from a free team

suit for 1981 to a Schwinn Varsity Bike or a portable tv.

JULY 16 will be a busy fun filled day at the Aqua Center with various swimmers doing anywhere from 10 to 400 or 500 laps.

Being part of Antioch Swim Team is a great experience for almost 100 young people. The Parents Club hopes area residents will support the team through Swim-A-Lap.

The body of an average-sized man contains about one and a half gallons of blood.

## Gifford's to show top-notch pony

Marge and Mary Ella Gifford of Antioch will be among the exhibitors showing their horses in the Mid-America Benefit Horse Show, Friday through Sunday, July 11-13 at the fairgrounds on Randall Rd. in St. Charles.

The area residents will exhibit their prize-breed horse in a parade of stallions, which will include horse breeds rarely seen in the United States: Spanish Andalusian, South American Paso Fino and German Trakehner. Better known breeds in the parade will be the American Saddlebred and Morgan horse, both having originated in this country.

More than 200 horses from six states have entered the 52 classes. The show will benefit the Northeastern Illinois Special Olympics.

## PM&L Theater plans 'Gigi'

"Gigi," the well-known and widely-loved musical comedy, will be presented next month at the PM&L Theater, 877 Main St. in Antioch.

The play dates are Fridays, Saturdays, and Sundays, August 1, 2, 3, 8, 9, and 10. Curtain time for all six performances will be 8:30 p.m.

Featuring such performers as Maurice Chevalier and Louis Jordan in its early productions, "Gigi" was an instant success and has long been a well-established hit.

The story is set in France in the years before World War I, at a time when the word "Paris" was virtually synonymous with romance, music, and gaiety.

THE PM&L production is directed by Barbara D. Miller. While "Gigi" is her first PM&L show, Barbara Miller is widely appreciated for her work in theater, particularly as director of the dinner shows at Andre's Steak House in Richmond.

The chief roles in the PM&L cast are played by Larry Bullman of Ingleside as Honore; Bruce Berger, Lake Zurich, Gaston; Pam Guardi, Antioch, Liana; and, from McHenry, Michelle Jende as Gigi, Ann Marie Cina as Mamita, and Gloria Stewart as Alicia.

The impressive cast also includes a number of other players as well as a large and talented singing and dancing chorus.

## In Memoriam

In Loving memory of Joe Sheehan, deceased July 21, 1979. "To Joe with Love," He was special! He was one of a kind! He was our cousin. He was "Joe"! He was the wonderful human being we are all supposed to be but are not! ... In this world of so many cruel and ever-changing people he was steadfast! He never changed! He was "forever Joe"! How we miss him! Ron & Lillian (Atwell) Madson & Families
